## TECHNICAL PROJECT MANAGER

Dynamic and results-driven Project Manager with a proven track record of successfully managing and delivering complex projects on time and within budget. Skilled in leading cross-functional teams, streamlining processes, and ensuring stakeholder alignment. Adept at using project management tools like Smartsheet, Microsoft Teams, and Trello to maintain comprehensive project documentation and facilitate collaboration. Excited to leverage my expertise in project planning, risk management, and Agile/Scrum methodologies to drive successful project outcomes and contribute to organizational growth and success.

## KEY COMPETENCIES

Stakeholder Engagement and Communication	Technical Problem Solving	Analytical Thinking
Software Development	Collaboration and Communication	Creativity and Innovation
Project Management	Adaptability and Learning	Attention to Detail

## PROFESSIONAL EXPERIENCE

**AK Preparedness** Nov 2021 - Present  
**Project Manager // Lead VR Developer**
